Dear Friend,

Thank you for your recent call requesting information from our company. During the call you expressed an interest in becoming an active participant in our work at home program.

With over 39 years of experience, our friendly staff at American Diversified Publications has helped thousands of people just like yourself earn a great income from the comfort of their own home without the hassles of traffic, childcare, gas and long work hours. You may choose from such opportunities as **Home Assembly, Processing Mail, PC & Internet, Mystery Shopper** and much more.

With our highly motivated staff and our **live operators 24 hours a day**, ADP will be there to answer any questions or concerns you may have along the way. Unlike other companies who will only let you call a voicemail or write to a P.O. Box, we will be there from start to finish for all your projects.

Whether your decision is to work from home full time or just make some extra money in your spare time, our unique program is designed to help you accomplish your goals fast!

Home Assembly ~ With the economy getting tougher and tougher each day, home assemblers are becoming a valuable commodity to many small businesses across the United States. American Diversified's Publication currently offers over **100** different easy to assemble items such as **CD Cases, Beaded Jewelry, Fishing Lures, Picture Frames, Key Chains**, and many more.

The wonderful thing about home assembly is that you, the home worker can assemble numerous different items at the same time to increase your earning potential. All items will be shipped to your door **postage paid**, all you have to do is assemble the product and return it back to the company for your paycheck.

You can easily earn extra money each week just working part-time, or you can work full time and double that amount. You will never be required to do any type of selling and all of the assembly jobs require little or no experience.

Mystery Shopper ~ **The job everyone would love**, get paid for doing things you would normally pay to do. Mystery shoppers visit stores or restaurants and rate their products and/or service according to specific criteria. Companies rely on this data to gauge what does and does not work in real-life environments.

The type of stores and restaurants that offer mystery shop opportunities vary greatly, but many include well-known franchise businesses, of which a large portion are located in malls or shopping centers across the country. Because of the wide range of mystery shops available, people of varying demographics are needed for these jobs to provide the required data to these companies.

The information gathered from mystery shoppers across the country are compiled and given to analysts to determine what can be done to improve performance for a particular company, which ultimately provides better service to the general consumer. **Mystery shopping has been proven to be an effective way for companies to improve their services while offering you a great way to be fairly compensated in the process.**

PC & Internet ~ Own a Computer? Let American Diversified Publications show you how to unlock it's money making potential! There are many different opportunities to choose from in this category. With the wide selection of opportunities most people can find an opportunity that interest them. You may choose from a wide variety of opportunities such as **Data Entry, Clerical, Computer Programming, Internet Consultant, Transcription, Survey Work** or **get paid for just Surfing the Internet.**

Home-based Phone Operator ~ Thousands of people from all over the country are taking advantage of the freedoms and flexibility of home-based telephone operator positions. Operators can Earn up to \$20/hour providing technical support and customer service for national brand leaders in several industries including travel, auto, financial services, and retail.

FREE MAILING PROGRAM

with purchase of package

Mail Processing ~ Would you like to earn a little extra money? If your answer is yes, our company has the right opportunity for you. Mailing our sales brochures and receive your payments before you mail them.

Here is your chance to earn extra money working at home by becoming an active participant in your own independent mailing business. You receive immediate payment for all the envelopes you secure and mail with our brochure. There are no limitations. You mail as many as you wish. You will never be asked to handle or mail any pornographic or objectionable materials.

This program is designed to help people earn income with a company that needs home workers. Each participant is an independent home worker. You will mail brochures about our publication and in return receive a great commission.

This is not an offer of employment, but rather an opportunity to become an independent mail processor. This is not a get rich quick scheme. This is a simple method for making money while providing service to a company that needs you to mail their brochures. Once you get started, **you will begin to receive envelopes which will already be stamped and addressed.** You simply insert our brochure and mail it.

Don't be fooled by companies offering programs similar to this and charging an up front fee!! Our unique program prepays you for every envelope that you mail with our brochures. Our program has **no start up fees** and you will not be required to pay for any additional information manuals or instructions. **This program is included absolutely free** with the purchase of your Home Workers' Directory for only \$34 plus shipping and handling. As an added bonus to you, once you have mailed a pre-determined amount of envelopes, we will reimburse your full purchase price minus shipping and handling. **This way your package costs you nothing...** not to mention the fact that you will also be paid for each envelope you mail with our brochures.

100% SATISFACTION GUARANTEE

We are so confident in our complete work-at-home package, that if you are not 100% completely satisfied with our program, simply return all provided materials within the first 30 days for a full refund of your purchase price minus shipping and handling. **Therefore this is a no risk opportunity!**
